

# Welcome to Namaste React

## **Some important Guidelines, before you proceed with the course!**

1. Join our official Discord server of Namaste React from the community tab, present on the course viewing page.
  - All the course-related announcements and updates are shared on the Discord server.
  - All of your doubts and queries you can ask on the discord server. Many enthusiastic learners are eagerly waiting to help you there!
2. Namaste React Web Series code repository -  
<https://github.com/namastedev/namaste-react>
3. NetflixGPT Project Github repository -  
<https://github.com/akshaymarch7/netflix-gpt>
4. YouTube Project GitHub repository -  
<https://github.com/akshaymarch7/namaste-youtube>

## **Note:**

1. If you are facing any issue with the platform, kindly mail to us at **support@namastedev.com** with your payment screenshot and mention your issue with picture/screenshots(if any).
